## Programme

The theme of tonight's musical programme is **Hope, Joy and Love**. Dr Stephen Cobb has carefully selected pieces that will reflect the theme in both their name and spirit.

A special note that the programme features a brand new commission from Composer Dorothy Gates written especially for the band and titled 'Invisible Fire'.

### Guest Conductor Dr Stephen Cobb

Dr. Stephen Cobb, is the current Musical Director of the ISB. As Bandmaster of The International Staff Band, Stephen has led the band in recordings, concerts, and international tours, as well as shared concert and recording projects with both Black Dyke Band and Cory Band.

### Guest Soloist Mr Philip Cobb

Philip Cobb comes from a family that is inherently linked with Salvation Army music-making at its highest level. After gaining a place in The NYBBGB in 2000, he furthered his studies at the Guildhall School of Music and Drama, and whilst studying, played in The Salvation Army's International Staff Band, and released his first CD. Philip is now Principal Trumpet of the BBC Symphony Orchestra.
